Our Mission Statement

“To develop and document industry accepted best practices for a profitable, ethical and transparent operation of all collision repair businesses.”

Our Committee Going Forward

- Orlando – July 25
 - ◆ What is a Complete Repair Plan Process
 - ◆ Track repair times: Traditional vs. CRP
 - ◆ How much does one supplement cost?

Our Committee Going Forward

- Las Vegas – Oct 30
 - ◆ Define the CRP Process
 - ◆ Explore the top three CRP Processes
 - ◆ Can the CRP Process be widely adopted?

Our Committee Going Forward

- January 2008
 - ◆ Identify and discuss the barriers to implementing the CRP process

- April 2008
 - ◆ Present an action plan to industry wide implementation of the CRP process
 - ◆ Focus on overcoming the barriers to implementation
