1st

**We looked at the cost of
an incomplete estimate**

**We believe every
supplement costs the
stakeholders**

\$700 +

2nd

We presented a solution:

Complete Repair Plan

3rd

**We presented the
pros and cons
&**

Shared success stories

**It's time to
make a
change!**

**How do we
achieve
industry wide
acceptance?**

**We think it
starts by
reaching out to
the insurers.**

We are proposing a letter be sent by the CIC body to the top 25 insurance companies.

Will you help?

Business Management Committee Mission Statement:

Our goal is to develop and document industry accepted best practices for a profitable, ethical and transparent operation of a collision repair business.
