**Information Technology Committee
Minutes from July 23, 2004 Teleconference**

MEETING MINUTES:

1. Fred reviewed the Anti-Trust statement and all participants agreed to comply. Cindy agreed to be the note taker.
2. The minutes from the previous teleconference were approved.
3. Cindy reported the letter was sent to the 3 information providers 2 weeks ago. We are asking for a response by Friday, July 31 (next Friday). No responses have been received to date.
4. Joyce reported Kurt is no longer a member of the IT Committee and she is his replacement. Cindy will contact Jordan to get him removed from the website
5. We reviewed Fred's draft of the EMS presentation for Chicago. He has 20 minutes. Feedback included:
 - Update IT membership roster
 - Include a slide which outlines how EMS is "morphed" into "BMS" via a cross reference; change headings accordingly
 - Include a slide on how the industry benefits from EMS
 - Add reference to the information provider letter sent after last CIC meeting; note a copy will be on CIC's website
 - Indicate we're going to continue the Washington DC topic (same system) in November via a followup panel discussion until we feel the issue is resolved before tackling the more complex "different system" issue. We need to walk before we run. Depending on the responses we receive to the letter, we may or may not tackle the different system issue in November.
6. It was noted we originally requested 45 minutes for Chicago since we thought we'd have a followup discussion on the same estimating system in addition to the EMS update, so we may be able to "give time back" to Roger. However we really want to push for 1 hour at NACE, if possible.
7. Cindy will ask Jordan to post a copy of the Information provider letter on the IT webpage.
8. The meeting adjourned at 9:35am.

NEXT STEPS/ACTION ITEMS:

1. Cindy will distribute the teleconference minutes to committee members.
2. Fred will update and redistribute his presentation for final review.

3. Cindy will ask Jordan to remove Kurt from the IT Committee member list and provide her a copy of the Information Provider letter for posting.
