# Audience Response Question:

Have you been following the reports in the trade press about recent state legislative activities on OEM repair procedures?

---

1. Yes
2. No

# Audience Response Question:

Regarding legislation on OEM repair procedures, in your opinion:

---

1. We don't need regulation, we should regulate ourselves instead.
2. We need regulation to prevent insurers from pushing the use of non-OEM repair procedures through their payment practices.
3. We need legislation to require the use of OEM repair procedures.

# Federal Legislative Update

---

- Data Access Update
- The U.S. Senate Committee on Small Business and Entrepreneurship approved S. 771, the Small Business Cyber Training Act of 2019
  - The Senate bill contains language that would create a program to train counselors at Small Business Development Centers across the U.S. in cyber strategy assistance.
  - Enhances data privacy for shops and consumers.
