COLLISION INDUSTRY CONFERENCE

November 10/11, 2020 — Virtual Meeting

DAY 1 Continued

1:00 Q & A and Open Mic

Attendees will be able to raise their hand, chat or Q&A questions and comments that they feel need to be brought forward. These will be read during this time (if they do not violate anti-trust laws) and others may be able to respond through texting or by raising their virtual hand to address verbally. This will be managed in the order the inquiries are received.

1:30 Education & Talent Pool Committee [David Willett, Winston Cover]

Committee Update—The Education & Talent Pool Committee discusses its work around the one thing that if changed could make the biggest impact to our industry talent pool challenges.

2:00 Governmental Committee [Bob Redding, Darrell Amberson]

Legislative Update—The Legislative Committee provides an update on the various legislative efforts across the country.

2:40 Q & A and Open Mic

2:55 Closing Comments [Jeff Peevy]

3:00 Adjourn Day 1 Meeting

COLLISION INDUSTRY CONFERENCE

November 10/11, 2020 — Virtual Meeting

MEETING AGENDA

DAY 2—November 11 (Eastern Time Zone)

- 11:00 Opening Comments** [Jeff Peevy]
- 11:10** Industry Relations Committee (formerly Insurer/Repair Relations Committee)
[Jim Keller, Mark Allen]
Industry Relations Panel Discussion: “The Pandemic, Lessons Learned and How Might Our Business Models Look Different in the Future”.
- 12:05** Data Access, Privacy & Security Committee [Dan Risley, Trent Tinsley]
Collision Industry Data Protection and Sharing ‘Golden Rules’: The CIC Data Access, Privacy and Security Committee will be hosting a panel discussion regarding the Collision Industry Data Protection and Sharing ‘Golden Rules’. Following the discussion, the ‘Golden Rules’ will be presented for a formal vote. It is important to note that anyone in attendance is allowed to participate and the committee encourages any interested party to attend, cast their vote and let their voice be heard. Passage of the rules by those attending the virtual CIC would formalize the “Golden Rules” as an official CIC work product.
- 12:35 Q & A and Open Mic**
- 1:05** Emerging Technology Committee— [Jason Bartanen]
Special Taskforce Presentation on Steering Column Inspections – Update & Best Practice Suggestions: At the July CIC meeting, steering column inspection issues were discussed; We now need feedback from CIC on suggested best practices, before we present our findings and requests to the OEMs.”
- 1:30** Future Disruptions Committee [Frank Terlep, Jake Rodenroth]
How EV’s Will Disrupt the Collision Industry (Panel discussion):
[Panelists Mark Allen - Audi, Andy MacDonald - Lucid, Kelly Logan - Rivian, Mark Zoba - Nissan].
The committee will present how electric vehicles will affect the collision industry. As part of this session there will be a panel discussion with 4 EV vehicle manufacturers, RIVIAN, LUCID, Audi and Nissan.
- 2:20 Q & A and Open Mic**
- 2:40 CIC Announcements and Closing Comments** [Jeff Peevy]
- 3:00 Adjourn Meeting**
